

THE ORIGINAL STARFIBER®

SUPER GRIPPER CLOTH

AREAS OF USAGE

The Super Gripper Cloth uses advanced Starfiber® microfiber technology to clean, dust and polish virtually any surface. Our Starfiber® Super Gripper Cloths are the ultimate cloths for general-purpose, daily, household dusting. You can literally dust your entire home with just one Starfiber® Super Gripper Cloth. Use it virtually everywhere: Bathrooms, bedrooms, tables, hard wood floors, window sills, ceiling fans, heater and air condition vents or anywhere that you need to remove dust.

FUNCTION

StarFiber® combines friction, static-electricity, and a capillary effect to absorb and remove micro-particles, dust, dirt, oils, and surface moisture.

Use the Dust Cloth for dry dusting only. NOT RECOMMENDED TO BE USED WET.

Dusting: Removes dust particles through static-electricity. Absorbs and traps micro-particles within the fibers.

REMOVES
