

# THE ORIGINAL STARFIBER® WINDOW CLOTHS

## AREAS OF USAGE

Starfiber Window, Mirror & Glass Cloth is the ultimate cloth for cleaning windows, mirrors, and all glass surfaces.

## FUNCTION

StarFiber® combines friction, static-electricity, and a capillary effect to absorb and remove micro-particles, dust, dirt, oils, and surface moisture.

Cleaning: To clean, dampen cloth slightly with water (can use spray bottle) - do not over wet the cloth.  
(Tip: For windows, mirrors, and glass, dampen half the cloth to clean, then do a quick “wipe over” with the dry half for a streak free finish)

## REMOVES

- Dust
- Grease
- Spills
- Grime
- Microparticles
- Stains
- Smudges
- Sticky messes

## PRODUCT INFORMATION

Item Code: T4040B-K  
Case Quantity: 400  
Colors: Blue  
Size: 16" x 16"  
Country of Origin: Korea

## TECHNICAL INFORMATION

Presentation: Starfiber Microfiber  
Weight: 400 g/sqm  
Composition: Made of 78% polyester / 22% polyamide  
Resistance: Over 500 machine washes  
Absorption: 500% of weight of material

## PRODUCT INFORMATION

Item Code: T4040G-C  
Case Quantity: 300  
Colors: Green  
Size: 16" x 16"  
Country of Origin: China

## TECHNICAL INFORMATION

Presentation: Starfiber Microfiber  
Weight: 340 g/sqm  
Composition: Made of 94% polyester / 6% polyamide  
Resistance: Over 300 machine washes  
Absorption: 350% of weight of material

For orders of 5,000+ units, the material can be delivered in the colors of your preference, with your private label, packaging, printing, etc. Please contact us for detailed information.
